Student to Student

A Catholic School Response to
Hurricane Harvey

The National Catholic Educational Association (NCEA) is launching a campaign asking every Catholic school family around the country to **contribute at least \$1 per student** to help Catholic schools impacted by the storm to rebuild, reopen and re-enroll students. "Student to Student: A Catholic School Response to Hurricane Harvey" is a powerful opportunity to engage students in living the Gospel message of compassionate service and generosity to others.

NCEA will distribute 100% of the funds collected to dioceses in the affected areas for their Catholic schools in vital need of support due to the impact of Hurricane Harvey.

Please talk with your children about this donation and have them be a part of the donation decision. Then have them bring their donation in the envelope contained in the blue folder with their grade on it. *(If you decide to write a check, please make it out to OLG Catholic School, as we will be sending one check to the NCEA on behalf of our school.)* **The class that donates the most dollars/student by this Friday, September 15th, will earn a Free Dress Day next Monday!**

MARK YOUR CALENDARS!

Next SAFE ENVIRONMENT TRAINING CLASS is Monday, September 18th at OLG Room 15 from 6pm – 8pm. If you are not yet in the SE system, please enroll on-line at the Diocesan Website (www.victoriadiocese.org) first. You cannot take the class without your on-line application being complete. Contact school office for more info.

Please plan ahead: Iowa Testing for grades 1st – 8th will be held the week of September 18th – 22nd. Please do not schedule any appointments for your student during this week so that they do not have to make up the test the next week. These tests help provide important diagnostics on each child that our teachers then utilize to serve our students better.

School Advisory Council Meeting will be held Wednesday, September 13th at 6:45am in St. Jude Hall.

Remembering September 11, 2001

We remember this day as we still struggle with many emotions. We also remember that people all over the world share these feelings and that the suffering of Sept. 11 echoes the suffering of many parts of the world. We ask that we have the strength to work for healing for all nations in our planet.
