2017-2018 Yearbook Revised Deadline

The 8th grade class has been working hard on creating this year's yearbook. To reward their efforts, it has been decided that any profits generated by the sale of the yearbook will go towards funding the 8th grade spring retreat. In order to calculate the amount earned for the trip we need to advance the yearbook due date to **April 30th**. Our contract is for 80 books sold, we are currently at 59. Please help send the 8th grade on retreat, order your yearbook today!

The cost is \$20 for a standard yearbook or \$26 for a yearbook with a personalized cover.

Order forms are available in the office, or you can order online at YBPay.lifetouch.com with Yearbook ID Code: 13178718
